IMPORTANT INFORMATION

Purpose This handbook is mainly for affiliated members. Most of the content, plus fixture results, league tables and individual averages etc. is also available at www.ddtta.co.uk Any member of the public who would like a copy of the handbook should contact the Treasurer.

Postal addresses of office bearers, club and team secretaries have now been removed from the handbook. If you require a member's postal address please contact them directly by phone or email.

Terminology DDTTA uses the terms and definitions in the ITTF Regulations. A *fixture* is a contest between two teams. A *match* is a contest between two players (or two doubles teams). In the league, a match comprises the best of five *games*.

Affiliation All members competing in the District must be affiliated to Table Tennis Scotland (TTS). The current TTS fees are £22.00 for senior players and £11.00 for under 18s and full-time students. There is an £8.50 TTS fee for non-playing members who wish to affiliate to TTS. Fees are reduced by 50% for seniors and <18 first time players who register after 31 December.

The DDTTA affiliation fees for this season are £40.00 for senior players and £17.00 for full-time students and juniors (<18s). A new player (or a player who has been away from the sport for more than 10 years) registering for the first time in the lowest division will pay a £12.00 DDTTA affiliation fee. Players registering to play after 31 December pay 50% of the DDTTA fees.

It is a TTS rule that affiliated players should compete only against other affiliated players, and clubs should ensure that their playing members comply. Permission to play against non-affiliated bodies can be obtained from TTS through the DDTTA Management Committee.

TT365 Every affiliated member has a TTS 'TT365' on-line account with their contact details etc. DDTTA also uses TT365 webmail for circulating important information to members. By logging in to their account, members can print off their TTS membership card, check their details and keep their information up to date:
https://www.tabletennis365.com/TableTennisScotland/Membership/Login
The Treasurer will be pleased to provide your TTS membership number if you have any issues accessing your account.

Fixture results are also processed on Dundee's TT365 website (https://www.tabletennis365.com/dundee) to allow TTS to use our league results for national ranking purposes. The TT365 website has some additional functionality beyond our own website, such as more detailed player performance analysis, statistics and doubles averages. However, please note that the definitive fixture list is the one in this handbook and on www.ddtta.co.uk

Rackets Rackets must conform with ITTF regulations and be of a non-reflective surface.

Balls The approved match ball for all DDTTA events is any ITTF approved 40+ plastic 3* ball or any ITTF approved 3* orange celluloid ball. Once available, orange plastic balls must be used. The home team is responsible for providing balls.

Clothing The wearing of white or light coloured clothing is prohibited. Soft shoes should be worn at all times.

Scorecards **Within 48 hours** of each fixture, it is the responsibility of the **home team** to submit results using the on-line scorecard on the DDTTA website. The original signed paper copies of scorecards must be kept by the home team until the end of the season in case of a dispute over a reported result. Please do not deposit paper scorecards at any of the old collection points.

In exceptional cases (such as no access to the on-line system) scorecards should be sent to the Match Secretary, Andy Hughes.
e-mail: matchsecretary@ddtta.co.uk or T 01382 816953

All correspondence about fixtures and postponements should also to be sent to the Match Secretary. The Match Secretary **must** be notified in advance about postponements so that time is not wasted following up missing scorecards.

Publicity A weekly match report is posted on the Association's website so any comments on fixtures are appreciated. These can be recorded on the on-line scorecard. A report of the Association's activities, including fixture results, is also submitted to the Dundee Evening Telegraph and Post. This usually appears on Tuesday evenings.

Avoiding 'claims' (see Rule 5 later) Claims mostly arise when the away team mistakes the night of the week that the home team plays on (see 'Teams and their League Codes'). The home team secretary should contact the away team in the week before a fixture to avoid the possibility of a 'no show'. The Match Secretary may take such communication, or the absence of it, into account when deciding whether to allow a claim.

Handicap Cup A Handicap Cup fixture comprises nine singles matches. Each match comprises two games, normally played to 21, 26 or 31 points, as decided by the Handicap Committee for each fixture. Players have five serves, except the first to serve, who will serve until the combined handicaps and points played are a multiple of 5 (e.g. if the combined handicaps are 13, the first player to serve has 2 serves).

At deuce (20-20 etc.) the player to win the next point shall win the game. If the fixture is tied at nine games each, the overall result shall be decided by the ninth match playing a deciding third game.

Gillis Cup This is a competition for all players in Division 3 or below. It will be held in Ward Road after the completion of the league competition. Precise details will be intimated to members in due course.

Chris Halliday Cup This is an invitational team event for teams from the lower divisions. It will also be held in Ward Road after the completion of the league competition. Details and invitations will be sent out a few weeks ahead of the decided date.

There are currently no fees for any of the cup competitions.

Conduct Through its affiliation to TTS, the Association expects all players to adhere to the standards outlined in the TTS Code of Conduct. In addition, DDTTA Rule 6(10) prohibits mobile phones or other electronic devices being used within the area of the playing court whilst matches are in progress.

DDTTA Constitution The Association's constitution is available at www.ddtta.co.uk If you do not have internet access a copy can be obtained by contacting secretary@ddtta.co.uk

Table Tennis Scotland Table Tennis Scotland's website is http://tabletennisscotland.co.uk/ Among other things, the website provides access to contact points in TTS, news and a calendar of events.

SVTTA The Scottish Veterans' Table Tennis Association website is www.tabletennisscotsvets.btck.co.uk Information on the website which may be of interest to DDTTA members includes the SVTTA office bearers, tournament dates and entry procedures. Tournament dates can also be found at News>Events on www.ddtta.co.uk

Official Communications Unless indicated otherwise all communications to DDTTA must be made in writing to secretary@ddtta.co.uk

Suggestions If you have any suggestions to offer for the improvement of the game locally, or know of any club or individuals likely to be interested in joining the Association, please inform any member of the Management Committee.

RULES FOR ALL COMPETITIONS

(last revised 27.4.17)

1. League Structure

(1) *Divisions* The League shall be divided into Divisions and the size of each shall ensure as far as possible that all teams will have the same number of league fixtures to play during the season.

(2) *Promotion and Relegation* Promotion and relegation of teams (normally two up and two down) will be decided by the final league tables and ratification by the Management Committee.

(3) *Make up of Team* A team shall consist of three registered players. The Executive Committee will consider taking action where a team consistently plays with less than three players.

(4) *Registration of Players* Clubs must register all their playing members (accompanied by the appropriate fees and subscriptions) with the Treasurer by **31st August** each season. Normally, a minimum of three players must be registered for each team. In exceptional circumstances the Management Committee, at its absolute discretion, may consider a written request from a club to permit a team to be registered with two players provided the Management Committee is satisfied that the third player will be registered at an acceptable later date, or that the team can be completed by a player registered with a lower ranked team.

(5) *Late Registrations* Late registrations (at a reduced rate after 31 December) can be made during the season and not earlier than one week after the season has started. In this event, two clear days from the date of registration are necessary before that player can play in League and Cup Competitions.

(6) *Handbook and Fixture List* Each registered player will receive a Handbook and Fixture List that constitutes the player's Certificate of Registration.

(7) *Closing Date for Entries* Entries for the League and Cup Competitions must be made **by 15 July** each year.

2. Rules

All Fixtures shall be played under the latest TTS rules.

3. Match Arrangements

(1) *Fulfilment of Fixtures* League and Cup fixtures must be played within the week listed.

(2) *Home Nights and Venues* Each Club shall nominate for each team (and for publication in the Handbook) a night on which its home fixtures are to be played.

Any subsequent change must be notified in writing to all teams in that Division and the Match Secretary. Each team must also notify Cup opponents where this is applicable.

(3) *Starting Time* All fixtures should start at 7:00pm unless otherwise stated in the Handbook. If the fixture has not started by 7:15pm, the points will be awarded to the team present unless there are extenuating circumstances that prevented a start by 7:15pm.

(4) *Order of Play* Each league fixture shall consist of 10 matches, best of five games. The home team shall be A, B and C and the away team, X, Y and Z. The players' positions will be decided by the respective captains, the home team's order being declared first. The order of play shall be as follows unless mutually agreed otherwise:
(1) AvX (2) BvY (3) CvZ (4) BvX *(5)* AvZ (6) CvY (7) Doubles (8) BvZ (9) CvX (10) AvY

(5) *Points Awarded* A point is awarded to each team for every match won. If the fixture has not been completed, the result as it stands should be sent to the Match Secretary along with an explanatory statement and this will be considered at the next Executive Committee meeting. Where a team fails to appear for a league fixture, the opposing team players will be awarded three matches towards their averages.

(6*) Notifying Result of the Fixture* It is the home team's responsibility to supply and complete the fixture card, signed by a representative of each team. Within 48 hours of the fixture, a representative from the home team must ensure it is entered into the automated scorecard system on the web site. It is the responsibility of the home team to keep the paper scorecard safe until the end of the season in case of an e-scorecard error or a disputed e-scorecard.

(7) *Positions in a Division* At the end of the season positions in a Division shall be decided by the number of points obtained by each team. If two or more teams are level on points, their positions shall be determined by the number of points obtained in a 'mini-Division' consisting of the teams involved. Should this still produce equality, then the positions shall be determined by the number of games won.

4. Fixtures Not Played As Scheduled

(1) *Cancellations* A Team Secretary must notify the opposing Team Secretary if a team cannot be fielded on the scheduled date. This should ideally give at least three days notice. The non-availability of regular players (except on representative occasions) will not be accepted as sufficient reason for the non-fulfilment of a fixture.

Where a fixture is not played in the week listed, both teams must notify the Match Secretary within three days of the original date and explain the circumstances and advise of any re-arranged date

(2) *Public Holidays* League fixtures due to be played on a Public Holiday may be re-arranged at the request of either team.

5. Claims, Penalties, Disputes and Protests

(1) *Claims* There are two types of claim:
Claim A where opponents fail to appear without giving proper notice.
Claim B where opponents give notice of being unable to fulfil the fixture and concede the fixture.
It is the responsibility of a team making a claim to complete a fixture card as either a Claim A or B, and notify the Match Secretary within three days of the fixture date. Failure to do so may result in the fixture being forfeited.

(2) *Penalties* Where a team is subject to three successful claim A's this will result in automatic suspension of the team and its registered players for the remainder of the season and automatic relegation of the team.

(3) *Disputes* Any dispute between Clubs shall be notified in writing to the Hon. Secretary and will be considered by the Management Committee.

(4) *Protests* Any protest arising from a fixture shall be made in writing to the Match Secretary within three days of the fixture. The Secretary of the other Club must also be sent a copy. This will be considered in the first instance by the Match Secretary who may refer it to the Management Committee for consideration.

6. Other Matters

(1) *Clubs with Two or More Teams* Prior to the first fixture of the season, a Club entering two or more teams (whether or not they are in the same Division) must state which is the first team, the second team and so on, and nominate players for each team.

(2) *Playing Up* In the League, a player may play for any team or teams higher than that for which the player is registered. A player may only play for a team or teams registered higher, for a maximum cumulative total of four fixtures, regardless of which higher team or teams the player has played for. If a player in the League plays on a fifth occasion for any team or teams higher than that for which the player is registered, the player will immediately become registered with the higher team, which the player played with on the fifth occasion. This does not apply to Cup Competitions and a player may play for more than one team without becoming 'cup tied'.

(3) *Transfers* A player may not play for a team lower than that for which they are registered without first being officially transferred except in the Handicap Competition. Once registered to play for a Club in the Competitions sponsored by the Association, a player may not transfer to, and be registered to play for another Club during the season without first being officially transferred. All

applications for transfer must be made in writing by 31 December to the Management Committee whose decision is final.

(4) *Leaving a Club* A playing member leaving one Club and joining another must apply in writing to the Club Secretary of the first Club for a Clearance Certificate. This must be presented to the new Club who should then forward it with a late application for registration to the Treasurer. A player seeking a Clearance Certificate is entitled to receive it within seven days, or alternatively, the reasons for a refusal. A player cannot play for a new Club until in receipt of a Clearance Certificate.

(5) *Ineligible Players* A team fielding an ineligible player will forfeit the fixture.

(6) *Trophies* All Clubs or players holding any of the Association's trophies are responsible for them while in their possession and liable for any loss or damage. Clubs and players will be advised in writing about this responsibility on receiving a trophy.

(7) *Cups etc.* The Excelsior Cup is a knockout team competition open to all affiliated teams. There is currently no entry fee.

The Secondary Shield is a knockout team competition open to all affiliated teams other than those in Division 1. There is currently no entry fee.

The Stanley Doubles is a knockout team competition open to all affiliated teams. There is currently no entry fee.

In all Cup Competitions where a specified week has been set aside, the fixtures will be played on the home night of the home team.

If any team has more than one cup-fixture to be played on the same night of a specified cup week, or any Club has more home fixtures in a specified cup week than its facilities can accommodate, the onus is on the team or Club to contact the opponents and try to arrange other date(s) for playing the extra fixture(s).

Should it be impossible to arrange alternative date(s), the home team or Club must write to the Match Secretary at least seven days before the start of the cup-fixture week so that the Management Committee can rule on the matter.

(8) *Team Suspended or Withdrawn* When a team is suspended for the season, or withdrawn from the League during the season, all the league fixtures in which the team played will be declared null and void.

(9) *Neutral Venues and Referees* At the discretion of the Executive Committee, semi-finals and finals and deciding league fixtures may be played at neutral venues and with neutral referees.

(10) Mobile phones and other electronic devices must not be used inside the court while matches are in progress.

7. Non-Compliance with the Rules

Failure to comply with any of these rules may result in the forfeiting of a fixture and a fine.

8. Misconduct

Misconduct by a Club, team or player or any other matter not provided for in the Constitution or Rules, will be considered and dealt with by the Management Committee. The Management Committee has power to reject applications from any Club or team which has consistently broken any of the rules, and they will be given a written statement explaining the rejection.

No disciplinary action will be taken against any Club, team or player, except as provided for in Rules 6(5) and 7, without such Club, team or player having been given the opportunity of appearing before the Management Committee. In any Club or team matter, the disciplinary action will apply automatically to the Club or team members involved in the incident.

Any member, team or club, as appropriate, has a right to appeal the disciplinary action decided by the Management Committee. Any such appeal shall be submitted within 14 days of the decision having been notified, state the grounds of the appeal, and shall be considered (so far as practicable) by not less than three Management Committee members who were not involved in the original decision ('the appeal group'). The appeal group's decision on the appeal shall be notified to all relevant parties and shall be final.

9. Closed Championships

A player registered in a League in addition to the Association's, must play a minimum of four fixtures in the current season for an Association team to be eligible to play in the Association's Closed Championships.

10. Sponsorship

If a sponsor is attracted, the Management Committee will consider how best to use this sponsorship.

11. Change of Rules

Any change to these Rules requires a simple majority of those present and entitled to vote at an AGM or SGM. Any active member who wishes to propose any alteration to these Rules must advise the Hon. Secretary in writing by 31 March. Club and Team Secretaries shall be advised of suggested changes in the notice calling the AGM or SGM.

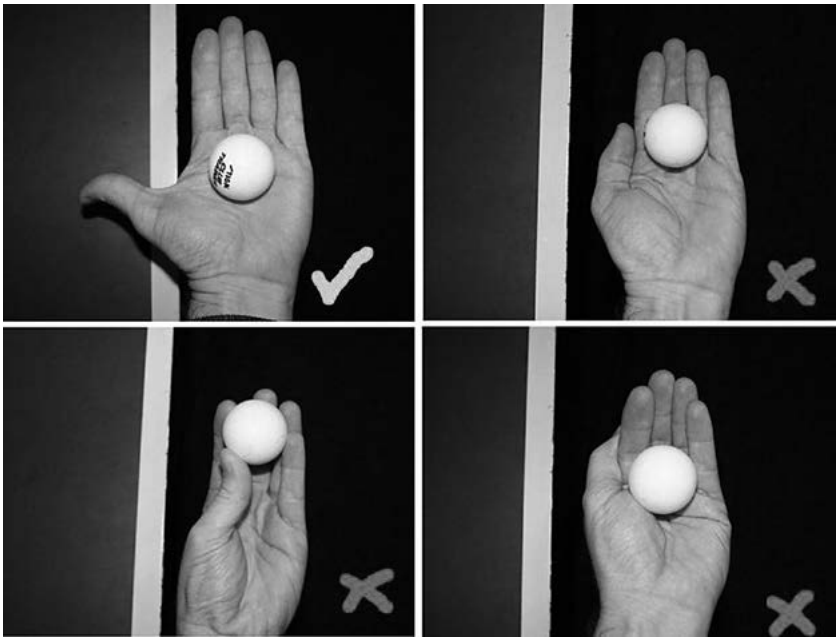
LEGAL SERVING IN TABLE TENNIS

The ball shall be served from the flat palm of the serving hand.



The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm (6.3ins) after leaving the palm free hand and then falls without touching anything before being struck.

As the ball is falling the server shall strike it so that it touches first his court, and then, after passing over or around the net assembly, touches directly the receiver's court. In doubles, the ball shall touch successively the right half court of server and receiver.
