Teams are reminded that if their home night, venue or team secretary changes, under Rule 3(2), *Rules for all competitions*, they must inform all other secretaries **in writing**. It may be necessary in the first instance to make contact by phone and then confirm changes in writing or by email to comply with this rule.

## FIXTURES

Teams in D1 and D2 will play each other 3 times. Such teams may not have an equal number of home and away fixtures but, with some sharing venues, away fixtures are sometimes equivalent to home fixtures and the situation is mostly evened out. Teams in D3 will play each other twice (home and away)

The number of fixtures to be played at each venue is within the number of tables available but please confirm the situation, taking account of cup ties, as there may be occasions when the number of fixtures exceeds the tables available, requiring fixtures to be re-arranged.

**Teams' home nights and venues are listed on page 2.**

## IMPORTANT INFORMATION

**Availability of handbook** – since 2023/24 this handbook is published PDF-only. It is available to view or download at [www.ddtta.co.uk](http://www.ddtta.co.uk)

**Postal addresses** – the postal addresses of office bearers, club and team secretaries are not published. If you need a member's address please contact them by email or telephone.

**Terminology** – ITTF regulations define a contest between two teams as a **fixture**. A **match** is a contest between two players (or two doubles teams). A match normally comprises the best of five **games**.

**Affiliation fees** - All league playing members must be affiliated to Table Tennis Scotland (TTS). For season 2024/25 TTS fees are £25.00 for seniors and £13.00 for under 18s and full-time students. There is an £10.00 TTS affiliation fee for non-playing members. Fees are reduced by 50% for seniors and under 18 first time players who register after 31 December.

DDTTA affiliation fees for 2024/25 are £30.00 for senior players. Full-time students and under 18s do not pay, nor do new players (or a player who has been away from the sport for more than 10 years) registering for the first time in the lowest division. Seniors registering after 31 December pay 50% of the full fee.

TTS rules require that affiliated players should compete only against other affiliated players, and clubs should ensure that their playing members comply. Permission to play against non-affiliated bodies can be obtained from TTS through the DDTTA Management Committee.

**TT365** - Every TTS affiliated member has a 'TT365' on-line account with their contact details etc. DDTTA also uses TT365 webmail for circulating members. By logging in to their account, members can print off their TTS membership card, check their personal details and keep them up to date:

<https://www.tabletennis365.com/TableTennisScotland/Membership/Login>

The DDTTA Treasurer can provide your TTS affiliation number if required.

**Rackets and balls** - Rackets must conform with ITTF regulations and only ITTF approved 40+ plastic 3\* balls must be used in all DDTTA events (see the approved list at <https://www.ittf.com/equipment/>). The home team provides the ball(s).

**Clothing** - White or light coloured clothing is prohibited. Appropriate footwear should be worn.

**Scorecards** - The home team must submit results using the on-line scorecard on the DDTTA website **within 24 hours** of each fixture.

In case of disputes the original signed paper copies of scorecards must be kept by the home team until the end of the season.

Any correspondence about fixtures and postponements should be copied to the Match Secretary. The Match Secretary **must** be notified **in advance** about postponements so that their time is not wasted following up missing scorecards. Teams calling off a fixture by email should confirm that the message has been received.

**Publicity** - Weekly match reports may be posted on the DDTTA website so it helps if any comments on fixtures are recorded on the online scorecard

**Avoiding claims (Rule 5)** - Claims mostly arise when the away team mistakes the other team's home night. Home teams should therefore contact away teams in the week before a fixture to avoid the possibility of a 'no show'. The Match Secretary may take such communication, or the absence of it, into account when deciding whether to allow a claim.

**Postponements** – postponed fixtures should be re-arranged within three weeks of the original date to avoid the need for concessions. Rule 4 governing postponements was amended at the 2022 AGM – please be familiar with and comply with the new Rule.

**Handicap Cup** - A Handicap Cup fixture comprises nine singles matches. Each comprises two games, normally played to 21, 26 or 31 points, as decided by the Handicap Committee. Players have five serves, except the first to serve who will serve until the score is a multiple of 5 (e.g. if the handicaps sum to 13, the first player has 2 serves). At deuce (20-20 etc.) the next point decides the game. If matches are tied at 9-9, the ninth match will play a deciding third game.

**Gillis Cup** - This is a competition for players in Division 3 or below. It will be held in Ward Road after the completion of the league competition. Details will issued in due course.

**Chris Halliday Cup** - This is an invitational event for teams from the lower divisions. It will also be held in Ward Road after the completion of the league competition. Invitations will be sent out a few weeks ahead of the date.

**Fees** - there are no entry fees for any of the competitions referred to above in season 2024/25.

**Conduct** - The Association expects players to adhere to the standards set out in the TTS Code of Conduct. In addition, DDTTA Rule 6(10) prohibits mobile phones or other electronic devices being used inside the playing court whilst matches are in progress.

**Getting fixtures underway** – too often fixtures do not get underway by the stipulated time causing a late finish. All fixtures should commence by 7pm or by the time requested by the home team.

**DDTTA Constitution** – the constitution is available at [www.ddtta.co.uk](http://www.ddtta.co.uk) The Association is a registered charity and our office-bearers and other management committee members are also the charity's trustees. Any member who may be interested in serving on the management committee should read the information at About>Committee on [ddtta.co.uk](http://ddtta.co.uk)

**Table Tennis Scotland** – the TTS website is <http://tabletennisscotland.co.uk/> Among other things, this provides access to contact points in TTS, news and a calendar of events. Association members who have been granted Honorary Life Membership of TTS are listed elsewhere in this handbook.

**SVTTA** - The Veterans Association website is <https://tabletennisscotsvets.chessck.co.uk> Information which may be of interest to DDTTA members includes the SVTTA office bearers, tournament dates and entry procedures.

**Official Communications** - Unless indicated otherwise all communications to DDTTA should be made in writing (or email) to [secretary@ddtta.co.uk](mailto:secretary@ddtta.co.uk)

**Suggestions** - If you have any suggestions for improvement or developing our operations, or know of any club or individuals likely to be interested in joining the Association, please inform any member of the Management Committee.

## **RULES** (last revised 8/5/24)

### **1. League Structure**

(1) **Divisions** The League shall be divided into Divisions and the size of each shall ensure as far as possible that all teams will have the same number of league fixtures to play during the season.

(2) **Promotion and Relegation** Promotion and relegation of teams (normally two up and two down) will be decided by the final league tables and ratification by the Management Committee.

(3) **Make up of Team** A team shall consist of three registered players. The Management Committee will consider taking action where a team consistently plays with less than three players.

(4) **Registration of Players** Clubs must register all their playing members (accompanied by the appropriate fees and subscriptions) with the Treasurer by **15th August** each season. Normally, a minimum of three players must be registered for each team. In exceptional circumstances the Management Committee, at its absolute discretion, may consider a written request from a club to permit a team to be registered with two players provided the Management Committee is satisfied that the third player will be registered at an acceptable later date, or that the team can be completed by a player registered with a lower ranked team.

(5) **Late Registrations** Late registrations (at a reduced rate after 31 December) can be made during the season and not earlier than one week after the season has started. In this event, two clear days from the date of registration are necessary before that player can play in League and Cup Competitions.

(6) **Handbook and Fixture List** Each registered player will receive a Handbook and Fixture List that constitutes the player's Certificate of Registration.

(7) **Closing Date for Entries** Entries for the League and Cup Competitions must be made **by 15<sup>th</sup> August** each year.

### **2. Rules**

All Fixtures shall be played under the latest TTS rules.

### **3. Match Arrangements**

(1) **Fulfilment of Fixtures** League and Cup fixtures must be played within the week listed.

(2) **Home Nights and Venues** Each Club shall nominate for each team (and for publication in the Handbook) a night on which its home fixtures are to be played. Any subsequent change must be notified in writing to all teams in that Division and the Match Secretary. Each team must also notify Cup opponents where this is applicable.

(3) **Starting Time** All fixtures should start at 7:00pm unless otherwise stated in the Handbook. If the fixture has not started by 7:15pm, the points will be awarded to the team present unless there are extenuating circumstances that prevented a start by 7:15pm.

(4) **Order of Play** Each league fixture shall consist of 10 matches, best of five games. The home team shall be A, B and C and the away team, X, Y and Z. The players' positions will be decided by the respective captains, the home team's order being declared first. The order of play shall be as follows unless mutually agreed otherwise:  
(1) AvX (2) BvY (3) CvZ (4) BvX (5) AvZ (6) CvY (7) Doubles (8) BvZ (9) CvX (10) AvY

(5) **Points Awarded** A point is awarded to each team for every match won. If the fixture has not been completed, the result as it stands should be sent to the Match Secretary along with an explanatory statement and this will be considered at the next Management Committee meeting. Where a team concedes a league fixture (Claim A or Claim B) all of that team's players will be debited with three defeats in the calculation of player averages. NB: for the avoidance of doubt, the opposition team will receive 10 league points but not the award of three match wins for their player averages.

(6) **Notifying Result of the Fixture** It is the home team's responsibility to supply and complete the fixture card, signed by a representative of each team. Within 24 hours of the fixture, a representative from the home team must ensure it is entered into the automated scorecard system on the web site. It is the responsibility of the home team to keep the paper scorecard safe until the end of the season in case of an e-scorecard error or a disputed e-scorecard.

(7) **Positions in a Division** At the end of the season positions in a Division shall be decided by the number of points obtained by each team. If two or more teams are level on points, their positions shall be determined by the number of points obtained in a 'mini-Division' consisting of the teams involved. Should this still produce equality, then the positions shall be determined by the number of games won.

#### **4. Fixtures Not Played as Scheduled**

(1) **Postponements** A Team Secretary should ideally give the opposing Team Secretary and the Match Secretary at least three days' notice if a team cannot be fielded on the scheduled date. If the postponed fixture is not played within three weeks of the scheduled date, or in the week following the last scheduled week of the season, whichever is earlier:

- (a) the team that requested the postponement shall concede the fixture; or
- (b) the points to be awarded, if any, to the teams involved shall be decided by the Management Committee.

(2) Rule 4(1) above shall only be relaxed by the Management Committee in exceptional circumstances and its decision shall be final.

## 5. Claims, Penalties, Disputes and Protests

(1) **Claims** There are two types of claim:

- *Claim A* where opponents fail to appear without giving proper notice.
- *Claim B* where opponents give notice of being unable to fulfil the fixture and concede the fixture.

It is the responsibility of a team making a claim to complete a fixture card as either a Claim A or B, and notify the Match Secretary within three days of the fixture date. Failure to do so may result in the fixture being forfeited.

(2) **Penalties** Where a team is subject to three successful claim As this will result in automatic suspension of the team and its registered players for the remainder of the season and automatic relegation of the team.

(3) **Disputes** Any dispute between Clubs shall be notified in writing to the Hon. Secretary and will be considered by the Management Committee.

(4) **Protests** Any protest arising from a fixture shall be made in writing to the Match Secretary within three days of the fixture. The Secretary of the other Club must also be sent a copy. This will be considered in the first instance by the Match Secretary who may refer it to the Management Committee for consideration.

## 6. Other Matters

(1) **Clubs with Two or More Teams** Prior to the first fixture of the season, a Club entering two or more teams (whether or not they are in the same Division) must state which is the first team, the second team and so on, and nominate players for each team.

(2) **Playing Up** In the League, a player may play for any team or teams higher than that for which the player is registered. A player may only play for a team or teams registered higher, for a maximum cumulative total of four fixtures, regardless of which higher team or teams the player has played for. If a player in the League plays on a fifth occasion for any team or teams higher than that for which the player is registered, the player will immediately become registered with the higher team which the player played with on the fifth occasion. This does not apply to Cup Competitions and a player may play for more than one team without becoming 'cup tied'.

(3) **Transfers** A player may not play for a team lower than that for which they are registered without first being officially transferred except in the Handicap Competition. Once registered to play for a Club in the Competitions sponsored by the Association, a player may not transfer to, and be registered to play for another Club during the season without first being officially transferred. All applications for transfer must be made in writing by 31 December to the Management Committee whose decision is final.

(4) **Leaving a Club** A playing member leaving one Club and joining another after the season is underway must first apply in writing to the Club Secretary of the first Club for a Clearance Certificate. This must be presented to the new Club who should then

forward it with a late application for registration to the Treasurer. A player seeking a Clearance Certificate is entitled to receive it within seven days, or alternatively, the reasons for a refusal. A player cannot play for a new Club until in receipt of a Clearance Certificate.

(5) **Ineligible Players** A team fielding an ineligible player will forfeit the fixture.

(6) **Trophies** All Clubs or players holding any of the Association's trophies are responsible for them while in their possession and liable for any loss or damage. Clubs and players will be advised in writing about this responsibility on receiving a trophy.

(7) **Cups etc.** The Excelsior Cup is a knockout team competition open to all affiliated teams. There is currently no entry fee.

The Secondary Shield is a knockout team competition open to all affiliated teams other than those in Division 1. There is currently no entry fee.

The Stanley Doubles is a knockout team competition open to all affiliated teams. There is currently no entry fee.

In all Cup Competitions where a specified week has been set aside, the fixtures will be played on the home night of the home team.

If any team has more than one cup fixture to be played on the same night of a specified cup week, or any Club has more home fixtures in a specified cup week than its facilities can accommodate, the onus is on the team or Club to contact the opponents and try to arrange other date(s) for playing the extra fixture(s).

Should it be impossible to arrange alternative date(s), the home team or Club must write to the Match Secretary at least seven days before the start of the cup fixture week so that the Management Committee can rule on the matter.

(8) **Team Suspended or Withdrawn** When a team is suspended for the season, or withdrawn from the League during the season, all the league fixtures in which the team played will be declared null and void.

(9) **Neutral Venues and Referees** At the discretion of the Management Committee, semi-finals and finals and deciding league fixtures may be played at neutral venues and with neutral referees.

(10) **Mobile phones** and other electronic devices must not be used inside the court while matches are in progress.

## **7. Non-Compliance with the Rules**

Failure to comply with any of these rules may result in the forfeiting of a fixture and a fine. The Management Committee may also, after issuing an appropriate warning, deduct league points from a team that fails to comply with any of these Rules.

## **8. Misconduct**

Misconduct by a Club, team or player or any other matter not provided for in the Constitution or Rules, will be considered and dealt with by the Management Committee. The Management Committee has power to reject applications from any Club or team which has consistently broken any of the rules, and they will be given a written statement explaining the rejection.

No disciplinary action will be taken against any Club, team or player, except as provided for in Rules 6(5) and 7, without such Club, team or player having been given the opportunity of appearing before the Management Committee. In any Club or team matter, the disciplinary action will apply automatically to the Club or team members involved in the incident.

Any member, team or club, as appropriate, has a right to appeal the disciplinary action decided by the Management Committee. Any such appeal shall be submitted within 14 days of the decision having been notified, state the grounds of the appeal, and shall be considered (so far as practicable) by not less than three Management Committee members who were not involved in the original decision ('the appeal group'). The appeal group's decision on the appeal shall be notified to all relevant parties and shall be final.

## **9. Closed Championships**

A player registered in a League in addition to the Association's, must play a minimum of four fixtures in the current season for an Association team to be eligible to play in the Association's Closed Championships.

## **10. Sponsorship**

If a sponsor is attracted, the Management Committee will consider how best to use this sponsorship.

## **11. Contingency**

If these Rules do not adequately provide for a particular matter that may arise, the Management Committee shall decide how that issue is to be resolved.

## **12. Change of Rules**

Any change to these Rules requires a simple majority of the teams entitled to vote at an AGM or SGM. Any League Playing or Non-League Playing member who wishes to propose any alteration to these Rules must advise the Hon. Secretary in writing by 31 March. Any such proposal must be accompanied by written confirmation from the League Playing Member's or Non-League Playing Member's club secretary that the proposed change has the support of the majority of the members of their club. Club and Team Secretaries shall be advised of suggested changes in the notice calling the AGM or SGM.

## LEGAL SERVING IN TABLE TENNIS

The ball shall be served from the **flat palm** of the serving hand.

The server shall then project the ball near vertically upwards, without imparting spin, so that it **rises at least 16cm (6.3ins)** after leaving the flat palm of the hand and then falls without touching anything before being struck.

As the ball is falling the server shall strike it so that it touches first his court, and then, after passing over or around the net assembly, touches directly the receiver's court. In doubles, the ball shall touch successively the right half court of server and receiver.
